

## Albuquerque Sunset Shawl Kit *to knit* — \$59.00

Our final shawl featuring yarns by local indie dyer **Lisa Souza** is this confection from designer **Casapinka**, inspired by the sunsets in Albuquerque reflecting back on the Sandia Mountains to the east. The yarn does all the work; you'll be knitting slipped stitches with varying solid rows in between and then a simple lace repeat (both charted and written) at the end to add some contrast. One color is worked at a time, with the yarn carried up the neck edge for the entire project. Final measurements: 73" long at neck edge by 17" deep. Suggested needle size: US 6 (32").

The wrap is knit using fingering-weight **Sawk**, a new yarn from Lisa that's a bouncy blend of merino wool and nylon (430yds/hank). Merchandising Manager **Linda Schumacher** has put together three possible color combinations, but feel free to choose your own! (The above sample, knit by Marketing Manager **Denise Maudru**, uses the Bayberry/Ecru combo.)

Kit includes printed pattern and two hanks of Sawk for \$59.00, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
